QuantaCom Orbit 360 Plans

INFORMATION ABOUT THE SERVICE

Create your entire phone system in minutes. Create voice menus and interactive phone applications quickly through the Hosted PBX control panel. QuantaCom is an industry veteran with over 7 years' experience in VOIP technology and an in- house team - so when you need help, you can count on us.

QuantaCom Orbit Hosted PBX (or Virtual PBX) is designed to lower the cost of a phone system for your business whilst at the same time providing your business with previously unseen connectivity. Plug your extensions in anywhere in the world - you can expand your office to a different building, or your employees can work from home - or across the globe! It will work anywhere there's broadband.

Is the offer part of a bundle?	No
Is the customer required to buy any goods as part of the offer?	Optional (See below)
Does the offer have any minimum term of use?	No

What Is Included:

This QuantaCom Orbit 360 plan includes calls to 13/1300 numbers, Local/STD calls and calls to Australian Mobiles. It also includes free QuantaCom Orbit to QuantaCom Orbit calls.

What Is Not Included:

Your plan does not include international calls and premium service numbers. Charges to these services will apply and are outlined below. This plan does not include any handsets or other hardware or equipment.

SIP-Compatible VoIP Handset(s) Required

In order to use this service, you will need VoIP telephone handset(s) or software compatible with the SIP protocol. recommends using this service with handsets purchased from the online shop at <https://quantacom.com.au/shop-orbit/> to ensure that you have a compatible and supported device. Alternatively, you may provide your own SIP compatible VoIP equipment or software. For more information about compatible equipment and software please contact our team.

Additional Fair Use Terms QuantaCom Orbit 360 Plans:

Included calls are subject to fair use. Fair use of the QuantaCom Orbit 360 plan means that you must not use service in an unreasonable or fraudulent manner, or in a way that detrimentally interferes with the integrity of the QuantaCom Orbit network.

This service is intended to be used in a way that is consistent with a typical business' calling usage, according to statistical information known to QuantaCom Orbit. If we determine that your use of the service or it's features is at any time inconsistent with the normal inbound or outbound usage patterns for the type of service or plan that you have purchased, we have the right to suspend or discontinue service. Examples of inconsistent usage patterns include, but are not limited to, using the service in an outbound call centre, for telemarketing, providing brokerage services, providing booking agent services, or providing telehealth services.

This plan can only have single-user devices such as Yealink, Grandstream and Cisco VoIP Phones connected to Hosted PBX Extensions only. SIP Trunking is not included and no PBX systems (Asterisk, 3CX etc) or other line-sharing devices are permitted on QuantaCom Orbit 360 Plan Connection of a PBX or line-sharing device, or a configuration that results in line sharing will result in account suspension and cancellation of the account.

We may take action if you breach this policy, including suspending or cancelling your service. We reserve the right to enact such actions for any reason, at our own discretion, without notice to you.

Trial Period

No trial period is applicable to this plan. Monthly fees begin when the service is activated.

Charges to International Numbers

You will be charged if you make calls to international numbers. International call rates will vary from time to time based on several factors.

Please see our website for up-to-date international call rates monthly at

<https://quantacom.com.au/quantacom-orbit-plans/ICR>

No Early Termination Charges Apply

Because QuantaCom Orbit VoIP services are month-to month there are no early termination charges. The total minimum amount that you will pay is the cost of your plan.
