

QuantaCom – nbn™ Fixed Line – Core Plans

About the service

The nbn™ network is a high-performance network, allowing for super-fast connectivity speeds between customers and Internet Service Providers. This service is only available within an nbn™ Fixed Line service area. Unless your premises is already connected, you will need to be connected to the nbn™ network.

Minimum and Maximum Charges

Your Minimum and Maximum charges will vary depending upon what contract length and plan you have chosen. We have the following contract options:

- Month To Month (No Lock-in contract) \$199 Initial Set up and Modem Cost + Monthly charge For the First Month
- 36 Month Lock-in contract with \$0 Activation fee

See Plan Options table below for minimum and maximum charges.

Other Charges

If there has never been an active nbn™ service or there is no NTD installed at your premises, you will incur a \$300 - \$400 new development fee.

Termination Fees

If you cancel your service during your lock-in contract term, you will be liable for the service fees for the month and the following.

- Month To Month (No Lock-in contract) - No termination fee
- 24,36 Month Lock-in contract termination fees:
 1. If cancelled before contract Term:

Other Information

This service does not depend on a bundling arrangement with any other Telecommunications services. Any cabling that is required in your premises, beyond the network boundary point is your responsibility and at your own cost.

You will require a wireless router in order to use this service. The monthly fee does not include the cost for a wireless router, however you may purchase one from us for between \$149-\$1100. Alternatively, you may purchase a wireless router from another retailer of your choice.

Billing

The figures in the table above are for a full billing cycle, however your first bill may also include pro-rata charges for part of a month. Our billing cycle is based on a calendar month. Bills are issued on approximately the 4th of the month, usually for a month in advance. In some cases, your bill may also include additional charges such as purchased hardware, or a plan change adjustment fee.

To view the plans that you may switch to, please contact QuantaCom Your plan change will take effect immediately. Once your plan change has taken effect, you will receive a charge or credit to reflect this on your next bill. There is a \$20 fee for changing plans.

Data usage information

Usage is counted as the total of downloads plus uploads. You can obtain data usage information by logging into your account using our Members Portal.
